

A 7-day WhatsApp Workshop on

“Advisory on On-site and Decentralized Composting of Municipal Organic Waste” issued by the Ministry of Housing and Urban Affairs.

The Solid Waste Management (SWM) Rules - 2016 published by Ministry of Environment, Forest & Climate Change, emphasises the adoption of decentralized waste management systems.

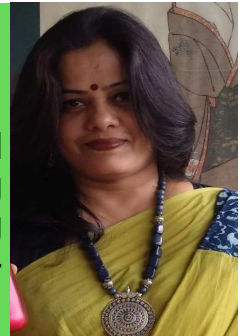

This advisory is brought out by the Ministry of Housing and Urban Affairs (MOHUA) for enabling implementation of Solid Waste Management Rules-2016, to promote on-site and decentralised organic solid waste treatment systems in the country. It covers multiple onsite and decentralised technologies currently implemented successfully.

In order to understand the advisory and various options available, LCG Energy Consultants Private Limited is organizing this 7 day WhatsApp workshop.

Key Faculty:

Ms. Savita Hiremath

Bengaluru-based Ms. Savita is a well-known activist and expert in solid waste management, especially large-scale composting. Her blog www.savitahiremath.com is a rich resource on community composting methods. She is currently offering end-to-end SWM consultancy to communities through her firm ENDLESSLY GREEN.
