

# One Month WhatsApp Study on BEE Refresher Course Guide Book

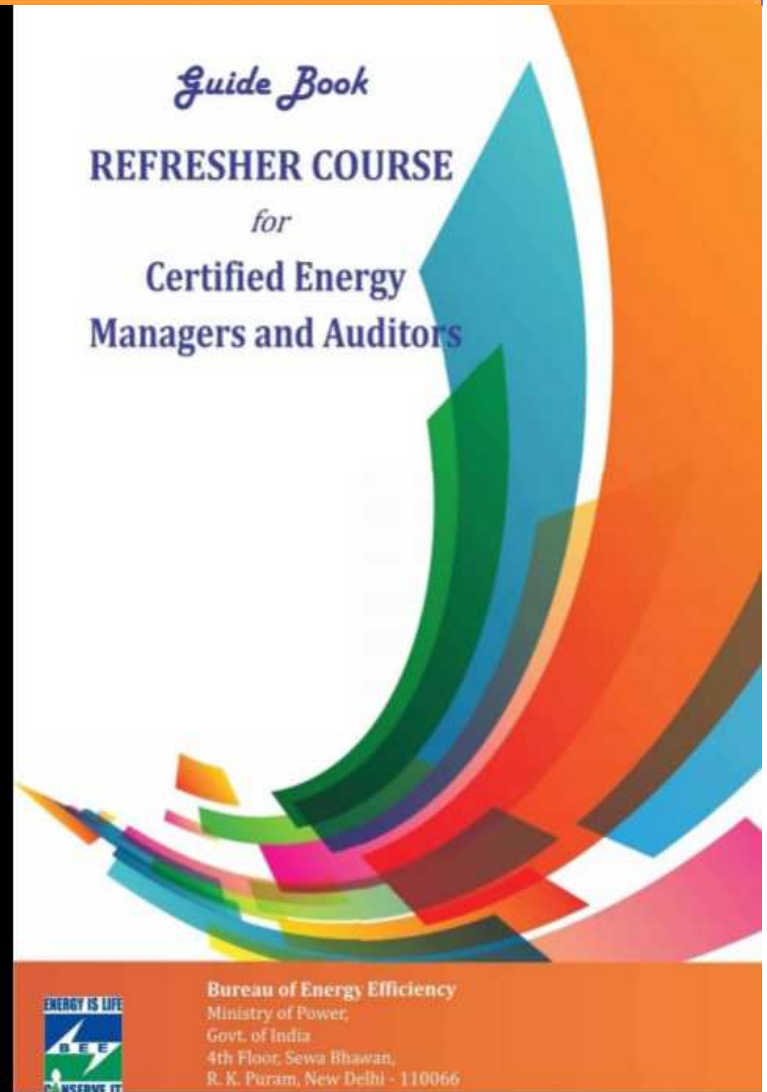

Bureau of Energy Efficiency (BEE) under the relevant regulation of Certification of Energy Managers and Energy Auditors has started conducting 'Refresher Courses'. The National Productivity Council (NPC) has prepared a 266 pages 'Guide Book' which is expected to :

QUOTE from the Guide Book

“The training based on refresher course material is expected to boost self-confidence and skill-set of the energy managers/energy auditors. It is designed to improve their energy management and auditing skills and boost their confidence and motivate them to take up challenging assignments”

- :UNQUOTE:-

In order to understand how this guide will be useful, a one month workshop on WhatsApp is being organized by LCG Energy Consultants Pvt. Ltd. and is supported by the Indian Association of Energy Management Professionals

## -: Workshop Schedule :-

**Start Date** : December 1, 2018

**End Date** : December 30, 2018

**Time** : 2100 to 2200 Hrs

### **How the workshop will be conducted:**

This is a study workshop like joint study we do for an examination. We shall circulate the Guide Book one day before the start of the workshop through the WhatsApp group or Email. The participants will be guided by experts and salient points explained to them. This will help the participants in better understanding of the Guide Book. Every evening the Q & A sessions shall be held on WhatsApp group.

**Fee payable:** The fee for the one month workshop is Rs.1000 + 18% GST payable to the following account :

**Account Name:** LCG Energy Consultants Private Limited,  
**Bank :** Canara Bank  
**Current Account No.:** 1471201001605  
**IFSC Code :** CNRB0001471
